DETAILED WARRANTY CONDITIONS FOR NORDLIS MIRRORS

The manufacturer provides the following guarantee, whose period runs from the product purchase date:

- for Nordlis mirrors – 2 years.

The two-year warranty shall cover:

- durability of the mirror pane against the corrosive effects of moisture in rooms, including bathrooms;
- durability of the mirror frame and paint coatings against the corrosive effects of moisture in rooms, including bathrooms;
- durability of the mirror hangers against the corrosive effects of moisture in rooms, including bathrooms;
- high quality of the product free of construction defects, maintaining dimensions within the tolerance limits specified in standards, repeatability of colour and the surface free of structural changes;
- normal work of electrical components.

The warranty shall not cover:

- damage unrelated to the product defects, in particular mechanical damage and damage resulting from improper use;
- damage resulting from improper installation, i.e. inconsistent with the attached instructions or builder workmanship;
- tampering with or design change in the products made by persons not authorised by the guarantor,
- damage resulting from deposition of scale from water, or from improper care of the product,
- damage resulting from improper storage, including long-term direct contact with water.
